**CHRISTINA CELEBRATES MUSIC IN OUR SCHOOLS MONTH**

March is Music In Our Schools Month—a time for schools to celebrate how music enriches the lives of all students. According to the National Association of Music Education, “the purpose of Music In Our Schools Month (MIOSM) is to raise awareness of the importance of music education for all children—and to remind citizens that school is where all children should have access to music. MIOSM is an opportunity for music teachers to bring their music programs to the attention of the school and the community and to display the benefits school music brings to students of all ages.”

There are a number of exciting programs offered by Christina’s elementary, middle and high schools. We invite you to support our students and music in our schools by attending.
