## **Procedures/Lesson Plans**

**Please provide a brief description of how this program/activity works and of any essential factors to its success:**

Bobby Petrocelli gives a dynamic and informative talk about his personal experience with the dangers of alcohol and driving. His talk is inspirational and genuine. The students who have seen him in the past were engaged and many reported positive comments following the presentations. Bobby also has inspirational books and CD's for purchase after the performance. This is definitely not your typical "drinking and driving" assembly.
