

At Bayard, our goal is to increase **READING COMPREHENSION** in all Students through the use of effective Instructional Practices:

R.A.C.E.R

Essential Questions- Essential Questions give teaching and learning purpose, meaning

and "big picture" focus for learning details and ideas while engaging higher mental and emotional capacities

Analyze student work and COLLABORATE to develop and maintain RIGOR in the classrooms

Data to help guide instruction and differentiate delivery of curriculum and classroom activities

For more helpful tips to assist your student, please visit our website at
