Dear Prospective Applicant,

On behalf of the faculty of Newark High School, I would like to extend an invitation to you to apply for acceptance into the Cambridge Program for the school year 2009/2010. This course of study features classes designed by the University of Cambridge, a prestigious college of international repute. The core curriculum includes language arts, mathematics, social studies and science.

The work associated with these courses is both rigorous and challenging. It is designed for students who possess personal motivation, personal discipline and intellectual vigor. Please take some time to complete and submit this application by December 1. You may either mail it to Newark High School, attention Valerie Morano or you may drop it off at the Newark High School main office. In some instances, students may be asked to complete a math placement test. Please feel free to contact me at any time with questions. My telephone is 302-631-4700 extension 14314 and my e-mail address is moranov@christina.k12.de.us. I would be pleased to entertain any inquiries you might have. You can also learn more about the Cambridge Program by visiting their website at www.cie.org.uk. I look forward to hearing from you.

Regards,

Valerie Morano
